What's this?

You brought a human?

It's my middle Basil Hwei Beorn's brother

He was merged with Dokusanki

Sigh...

Another living tank

Oh my, Swoopy

Let's see

Looks like there's no outer injury but there's severe injuries on his muscles and organs

It's not hard to kill but how did he become like this?

He was possessed by the Dokusanki

Even if you get possessed it's hard to get injured like this

The cages attacked us...

Sigh... These eyes...

They appear the Scales of Lord Hastar and now this...

Scales of Hastar | A Scale that keeps the balance in the world that the author set this place in

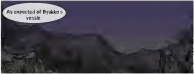

Byakko what about your vessel?

Ugh... what should I do?

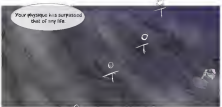

As expected of Byakko's vessel...

후후

Your physique has surprised that of my life.

51% KAKASHI KAKASHI KAKASHI

I'll have to thank you for calming my anger...

So Thank-

Now I'll have to do something
much more selfish

So hold out huh?

Crazy
Bastard.

If you look closely it won't be that
bad of a image upon your death

You life gets consumed
by this stupid Dokkakechi

Now let me show you.

How the "Sages"
controls Dokkakechi's.

S...Sages?

Did he say sages
just now?

The same sage
I know?

This one that ruined
my family?

Haha... Was it you bastard's
fault?

Was it?

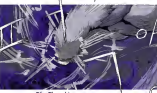

Sfx: Swwoooooooooooooooooooo

You god damn ass holes?!

아

아

Sfx. Thwack!

아

아

Sfx. Hoooooooooooooooooooo

아

아

Ahhh... as expected...

Of Golden Dragon Sword

I just transformed with a part of the sword the accessory.

I'm impressed.

Now I understand why those Old Masters wants to awaken the Dokkodo's so badly.

Yes... This is why they tipped the "Scales of Haeisee"...

Yes... This is the reason.

I want to enjoy this.
You pathetic Lifeform.

So don't die on me.

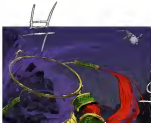

Sfx: Haaa

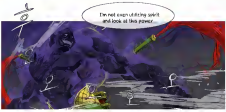

The fuck
you say?!

Sfx: Thump

Sfx : Kwaaaaaaaaa

I did not have enough strength to subdue the soldier of the Four Corner Gods...

If we don't get rid of him now he'll become a problem to us in the future it's best that we get rid of any stepping stones in the way. That is why I transformed.

Do San Koen,
You will find the Soldier of
Byakou and return to us.

Went-Hen,
You will return
with us immediately.

Yeah Yeah-

I will do as you bid sir-

I gave him a good landing so it should be easy to subdue him Do San Koen.

Shall we?

Stop your Gaffery and
hand over the Accessory now

Yes Sir-

Have fun Gae Kyeon~

Yes sir

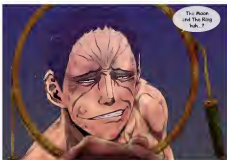

...

Tsk... Fuckin' small fries
from Chung-Fung Chee.
